Product short description:

Do you need more power?

This large section cable is a heavier gauge at 15 AWG with 3 conductors and is covered by Brown Linen RN04. It is perfect to create extension cords, power cords or to bring power to your electrical appliances.

The electrical wires are double insulated in a highly flexible pvc.

All Creative-Cables electrical cables are 100% made in Italy.

Attention! These heavier gauge cables (15/3) are not compatible with our ceiling canopies and lamp sockets.

Available on request in all Creative-Cables' fabric coverings, with a minimum order of 330 feet.
