**Product short description:**

Loop Cross gives the perfect subtle retro look to your space. The gentle contours and curl of the bulb can make your whole room feel like it's flowing together perfectly. The flexible filament of the Tube Bulb is wrapped in a transparent protective casing and produces a wonderful silhouette.

There is no exterior glass on this bulb like traditional bulbs have, only the encased flexible filament. To adjust its intensity, simply connect it to a dimmer.

**Product description:**

Light bulb type: LED

Fitting: E26

Diameter: 4.33"

Volt: 120
