Product short description:

Our Clear inline dimmer switch is another premium Italian made product offered by Creative Cables. Our inline dimmer is a UL Certified dimmer switch that works with LED bulbs and can be used with all our pendant light cloth covered wire color cords.

Our customers find that this inline table dimmer works great for their plugin pendant lights and table lamps. Note that we also offer this inline dimmer switch in white and black. For these additional lamp parts just search under the Switches category here on our site.
