Product short description:

This playful and spirited white and whiskey fabric Vertigo braided lighting cable is sure to be a favourite. With its wonderful and hypnotic design it will liven up any of your lighting needs. The striking Vertigo cables collection has been tastefully designed in Italy and was inspired from the psychological thriller of the same name by Alfred Hitchcock.

This high-quality fabric covered flex offers a unique, bold HD effect, appearing to be handpainted with a mixture of coloured and transparent threads. This simple yet striking cable will appeal to creative and bold designers out there who are looking to bring some joy into their design and make a real statement.

As with all our wiring at Creative-Cables, these cables are flexible and made to last.
