Product short description:

The Vertigo braided lighting cable with cotton, linen and copper fabric covering offers a fascinating mix of metal and fabric. Its Italian design takes inspiration from the mesmerising artwork from Hitchcock's classic thriller. The juxtaposition of the natural fabric and the bright copper delivers a unique and exciting product.

A truly unique product, this natural fabric and copper covered flex is ideal for making a statement and the finishing touch to the design of any lighting or room. From unique table lamps to pendants, and wall lighting, this versatile cable is the perfect choice for those who like to mix it up.

All Creative-Cables wiring is high-quality, flexible, and strong.
