Product short description:

String lights cable is a sensational way to transform your outdoor space. They also work beautifully indoors for festive celebrations. Ready-to-use, we offer these premium 40ft outdoor lights in an extensive range of eye-catching colours and fabrics.

With these delightful flex colours and fabrics you will find everything else you need to easily craft the ideal setting for your gathering. This includes the US plug, hook, E26 Sockets. The hook enables you to cross the cables or run them parallel to match your preference and when the summer is over the whole assembly is easy to unhook, unplug and pack away.

Warning

Bulbs are not included so please decide on your preferred type from the many choices available in the appropriate section of our website.

Product description:
