Product short description:

Ellepì is an oversize flat lampshade for pendant lighting, 100% manufactured in Italy and ideal for recreating a minimalist and sophisticated design in any environment. In its new Dibond® version, it's the perfect accessory for your outdoor pendant lighting created using EIVA lighting system designed by Creative Cables.

The essential lines and the option of a having a totally visible bulb make this lampshade ideal for creating serial pendant lighting, combined with other lampshades in large rooms and loft spaces, but also in contemporary verandas, pergolas and berceaux awnings.

Depending on the finish chosen, you can create a totally different effect in the space you are furnishing: industrial, if you choose the aluminium version, minimalist, if you select the double-sided shiny/matte black and matt white single colour options which lend a contemporary mood, or if you prefer something more vintage, the double-sided copper and brass finishes are perfect for those wanting to change home decor often!

Please note! Bulb and socket NOT included.
