Product title:

Metal Duedì Apex Pendant Shade | Metal Socket Cover & E26 Socket

Product attributes:

Finish: White, Black

Product image:

Product price:

\$12.40 tax included

Product short description:

For our line of **naked lamp shades** Duedì we focused on the essential: geometric shapes, very light, almost two-dimensional structure, with socket and bulb fully exposed and for maximum brightness.

The Apex triangle is made of metal and has a metal socket cover.

To make the most of it, we recommend that you combine it with a ST64 Edison light bulb which will make it a perfect pendant lamp for a modern bedroom.

The Duedì Apex metal lamp shade is supplied **already complete with E26 socket** IMQ-ENEC certified, socket cover and cable clamp with grain: select the finish that best suits your furnishing needs and interior design style and give life to your new pendant lamp!

Attention! Bulb NOT included.
