Product short description:

A colorful pendant lamp, with an **essential design** perfect to give personality to any interior while maintaining a classic style!

This ceiling lamp is made using Cylinder our fabric lampshade, **100% made in Italy** in a laboratory in Tuscany, which has always been dedicated to the handmade production of lampshades. We have selected pastel shades and combined a matching textile cable to allow you to give a touch of colour to your favourite rooms. We advise you to use it to light your bedroom or your children's one up, or to use it as a decorative element in your total white living room.

This chandelier is ready to be installed by expert hands and you can buy it already **complete with bulb**: we have chosen for you a Drop A60 Milky LED bulb perfect for glare-free lighting, but alternatively you can take a look at our assortment of LED design bulbs to find the one that best suits your needs

Product description:

Hanging lamp composed of:

120 cm of cable 2x0.75 of the selected color

1 metal canopy of the selected finish

1 E26 double ferrule metal socket

1 Cylinder fabric lampshade of the selected finish ø 150 mm H 180 mm

You can also purchase this lamp in the Matter-integrated version, for lighting control with your voice or the apps you already use regularly. Turn the lights on and off, create automations, and make your lights interact with other smart home devices easily and without the need for installation.

NOTE: If a wall switch is connected directly after the line cable, turning off the lamp will also cut off power to the Matter switch. Consequently, it will no longer be able to receive commands via voice or app. However, once the light is turned back on from the wall switch, the Matter switch will be powered again and resume normal operation.
