Product price:

\$9.20 tax included

Product short description:

The 6-hole canopy metal kit can be used to assemble a ceiling or wall lamp that has 6 light sources.

The canopy is made out of metal and is available in 5 different colours, out of which three are satined

The 6-hole canopy metal kit is perfect for you if:

- you need a suspension lamp with 6 lightbulbs
- you love metallic finishes

To set up and complete your 6-hole metal canopy kit:

- use the menus to define their characteristics
- find out how to fasten the canopy thanks to our tutorial

Additional pointer:

- match the 6-hole canopy with 6 cables in the same metallic finish and mount them with our decentralizers with V-shaped hook or lock
