**Product short description:**

Petrol Blue or Petrol Green? It might be impossible to find a right answer to this dilemma, but thanks to Creative-Cables finding a flexible textile extension lined with these extremely elegant colour palettes!

Creative Flex can be paired with any Creative-Cables rose and lamp holder, and it can also be easily customized countless times by simply shaping it using your hands.

Available in 3 different sizes (30 cm, 60 cm and 90 cm), it can be used as an artful addition to your table lamps, wall appliques or suspension lamps. Bring your lamp at the center of everyone's attention, whether it be suspended in the middle of the room or in the corner of a reading nook.
