Product short description:

The vibrant patterns of Majolica tiles have made them an iconic symbol of Mediterranean style. They inspired us to create four unique prints for our mini Ellepì flat lampshades, to decorate any outdoor or indoor space with dazzling colour contrasts. Ride the Mediterranean wave!

The mini flat lampshade comes in colourful floral patterns as well as elegant black/white options - and a 9,4" diameter - embellishing any wall or suspension lamp. The lampshade has been 100% made in Italy from our incomparable Dibond®, a light yet sturdy material able to withstand any weather.

Attention: lightbulb and socket not included.

Product description:
