Product short description:

Cableless02 is a classy lighting solution for portable and versatile illumination. The hemispherical wooden base and elegant metallic extension add a clean, sophisticated touch that perfectly complements any room. Use this product in any corner of your home without the need of a socket nearby thanks to its rechargeable battery (Li-ion 18650 battery)

Available in three finishes, this **fully modular lamp** can be paired with any [5 volt LED light bulbs](#), for a product that seamlessly blends functionality and aesthetics. The featured lamp is paired with an ST64 Edison light bulb with golden finish.

What makes this lamp so special?

Powered by a rechargeable battery, this lamp can be used to effortlessly light up your terrace, nightstand, kitchen counter and so much more... and when it needs recharging just connect your Cableless02 to a wall plug, power bank or laptop with a USB-C cable. What's more, this lamp is made in Italy and comes with a sturdy wooden base.

Cableless02 lamp features

This table or desk lamp comes with an elegant hemispherical base available in three finishes: natural wood (with shades of alder) black or white (for a subtle yet captivating effect). If the base is black or white the metallic extension will be matching, whilst for the natural wood base we decided to go for a brushed titanium finish. On top of this, with Cableless02 you will be able to choose from a range of [5 volt LED light bulbs](#), and switch them up whenever they reach the end of their life cycle or if you feel like a change of mood.

And last but not least, the brass touch power button, which adds a gorgeous finishing touch to the product.

Is this lamp dimmable?

Yes, just press the button to choose from three brightness intensity levels for your Cableless02 lamp. Find the right lighting for every occasion.

Why choose the Cableless02 lamp?

Thanks to the replaceable light bulb and rechargeable battery the Cableless01 lamp is the perfect choice if you're looking for a portable lamp which adapts to any situation. Available in three finishes to guarantee full versatility.

The Cableless02 lamp is **Made in Italy**: a prestigious guarantee, symbol of worldwide excellence.
