Product short description:

With the right illumination, you can create an intimate and welcoming atmosphere for your outdoor spaces: F-Snake is the perfect outdoor lamp for illuminating two different spots on your terrace or patio with one spotlight.

Featuring two exposed light bulbs, various finishes, and undeniable appeal. This lamp is constructed with a canopy, socket, and joint from the EIVA outdoor collection: all components are suitable for wet locations; they also come with an elastomeric rubber cable with a textile covering, allowing you to maximize your terrace both during the day and at night!

WARNING: The wet location EIVA socket is only compatible with glass LED light bulbs and has been tested for compatibility with A19, ST21, G30, and G40 bulb shapes.

Every Creative Cables lamp is designed and assembled in Italy, tested by independent laboratories, ensuring compliance with the strictest regulations. Another reason to trust Creative Cables quality.
