Product title:

Fermaluce 90° Classic with E26 threaded socket, the adjustable porcelain light source

Product attributes:

Light bulb: Without bulb
Finish: White, Black

Product image:

Product price:

\$43.00 tax included

Product short description:

The Classic 90° Fernaluce combines the convenience of an adjustable spotlight and the elegance and minimal style of porcelain.

Since the E26 socket may be tilted up to 90° and rotated by 315°, it is possible to point the light in whichever direction you wish.

Fernaluce 90° is the ideal solution for any need of a wall or ceiling light source.

In addition, being a socket in threaded bakelite and equipped with double ferrules, it's possible to install any lampshade with E26 fitting, in order to create a totally customized lighting point.

Choose between the available finishes in order to best match the style of your interior.
