Product short description:

Do you like natural materials and minimal design? Then Fermaluce Wood 90° is the perfect solution. The natural wood version of Fermaluce confers a modern and minimal look to any space, perfect for recreating stylish Scandinavian-inspired interiors.

Fermaluce Wood 90° may be used as a ceiling or wall light, and goes divinely with our selection of LED light bulbs.

In fact, the E26 bakelite socket of Fermaluce Wood 90° may be tilted up to 90° and rotated by 315°, allowing you to point the light wherever you prefer, in broad areas of your home or over specific details.

Choose between the available finishes in order to best match the style of your interior.
