Product short description:

SHHANDELIER reinterprets the timeless elegance of classic Venetian chandeliers, adding a new dimension of acoustic comfort.

Inspired by the beauty of Murano glass chandeliers, this refined lampshade from the ...SHH... collection seamlessly blends tradition and innovation. Its distinctive silhouette evokes the iconic Venetian aesthetic, while its sound-absorbing slats, crafted from recycled PET, contribute to a more sustainable future. Designed to diffuse light evenly and softly, SHHANDELIER creates an atmosphere of quiet sophistication.

With 16 vertical slats and 3 horizontal supports, it ensures a flawless structure and quick assembly, making it ideal for efficient shipping and easy installation. Available in a selection of elegant shades, SHHANDELIER adds depth and character to lounges, dining areas, and reception spaces. A perfect fusion of vintage charm and contemporary design, it brings light that invites serenity.

Change the look of your lamp in an instant! This lampshade can be easily mounted on any pendant lamp that has already been installed, without the need for additional adjustments. A simple and quick way to transform the atmosphere of any space.

Product description:

Classic SHHANDELIER lampshade made of sound-absorbing material:

- Material: recycled PET
- Socket compatibility: E26
