Product short description:

A wiring that combines luxury and functionality, perfect for transforming a lamp into a design element. The silk-effect bright copper textile cable enhances the light with sophisticated reflections, giving a precious and contemporary touch to rooms. Its warm, metallic hue matches both industrial-style interiors and more refined contexts. Made in Italy, it guarantees safety and high quality. With a length of 118 inches, it allows a wide freedom of positioning, adapting to any space.

Customize your wiring by choosing the plug and switch in the color that best enhances the design of your floor lamp.

If you want a customized length, contact us for a customized solution designed for your lighting project.
