Product short description:

The Jute Orange Clay RN27 fabric-covered wire has a warm, earthy orange tone with a natural woven texture, ideal for vintage and bohemian lighting styles.

Our cloth-covered wire is designed for both performance and aesthetics, featuring a woven cotton exterior that enhances flexibility and durability. These fabric cables are built to maintain their shape and withstand regular use.

We offer all of our cloth-covered wire By the Foot, so you can order exactly what your project requires. Inside, each cable contains three individually PVC-insulated copper wires (live, neutral, and ground), surrounded by an additional flexible PVC layer and finished with a high-quality fabric cover. Our wire is UL Listed (SVT-B), rated for 300V, and supports up to 7.7 pounds.

IMPORTANT: Per UL regulations, cut-to-order wire cannot be returned. Only full, unopened 150' spools qualify for returns. Verify your selection before placing an order.

UL Listed: E496739

Product description:

Find the perfect cloth-covered wire: Our fabric cables are available in a broad selection of colors, fabrics, and finishes, with fresh styles always being added.

To create the ideal look for your lighting: For a sleek and modern touch, opt for our rayon-covered wire, glitter-covered wire, or metallic fabric cables. If you're after a vintage or transitional aesthetic, our premium Italian linen and cotton fabric-covered wires are perfect. Want a rustic or farmhouse-style lighting design? Go for our jute-covered wire. You're in charge of your vision, but if you need assistance, don't hesitate to reach out for expert advice on the best cloth-covered wire for your DIY project.

Every fabric cable we offer is top-quality and 100% made in Italy at our Torino factory.
