**Product price:**

\$1.40 tax included

**Product short description:**

The Jute Cherry Red RN24 fabric-covered wire features a rich red hue with a natural texture, bringing warmth and character to lighting projects.

Our fabric-covered wire is wrapped in high-quality woven cotton, offering protection and long-lasting durability. Flexible and resistant to wear, these cables maintain their structure over time.

We sell our cloth-covered wire By the Foot, so you can purchase just the right amount for your needs. Inside, the cable contains three individually PVC-insulated copper wires (live, neutral, and ground), further encased in an extra flexible PVC layer and finished with a premium fabric covering. This wire is UL Listed (SVT-B), rated for 300V, and supports up to 7.7 pounds.

**IMPORTANT:** Due to UL safety standards, cut-to-order wire is non-returnable. Only full, unopened 150' spools may be returned. Please verify your selection before purchasing.

**UL Listed: E496739**

**Product description:**

How to choose the right cloth-covered wire: Our fabric cables come in a variety of colors, textures, and finishes, with stylish new designs frequently added.

Selecting the right fabric is key to achieving your desired look: For modern lighting, try our rayon-covered wire, glitter-covered wire, or metallic fabric cables. If you're after a vintage or transitional style, our premium Italian linen and cotton fabric-covered wires are top choices. And for a warm, rustic, or farmhouse-inspired feel, our jute-covered wire is ideal. As the designer, you have full control but we're always here to help. Feel free to contact us for advice on the best cloth-covered wire for your DIY pendant lighting project.

No matter what you choose, you'll receive premium-quality fabric cable, made in Italy at our Torino-based factory.
